Public Comments: Comments from the public on agenda items will be heard only when the respective item is being considered, and prior to voting. Comments from the public on other matters not appearing on the agenda that are within the Board's jurisdiction will be heard during the General Public Comment on Non-Agenda Items period. Please note that under the Brown Act, the Board is prevented from acting on a matter that you bring to its attention during the General Public Comment period; however, the issue raised by a member of the public may become the subject of a future Board meeting. Public comment is limited to **2 minutes per speaker**, unless adjusted by the presiding officer of the Board.

The Neighborhood Council system enables meaningful civic participation for all Angelenos and serves as a voice for improving government responsiveness to local communities and their needs. We are an advisory body to the City of Los Angeles, comprised of stakeholder volunteers who are devoted to the mission of improving our communities.

ONGOING RADIO COMMUNICATIONS PRACTICE OPPORTUNITIES:

Weekly Walkie-Talkie Radio Check-In: Every Sunday at 10am: Channel 20 (or Ch 16 if 20 is busy), we check-in around the Valley to see how far our voices can be heard. We practice checking-in, moving locations around the home until someone can hear us. Simple radios are a good source of emergency communication with your immediate area which could help if we experience a valley-wide disaster. The PSC suggests you pull-out a walkie, put in fresh batteries, and listen to next Sunday's net to see if you can hear anyone.

Weekly Sunday Morning Lake Balboa Amateur Radio Net: Every Sunday at 9am on Simplex 145.570 we have a weekly net for Ham Radio Operators transmitting around the SF Valley and beyond. It is a formal, but friendly, net where information is exchanged on a variety of topics. It is especially great net for NEW Hams.
