- 4.) Chair report: PLUM meeting on December 20 is cancelled. January 17, 2019 will be a discussion on SB 50 and review of the Restaurant Beverage Program Ordinance. Vision Committee meets on January 3, 2019. Bob Anderson will give a report on future traffic. Discussion on Community Plan updates.
- 5.) New Business: A review of the process that led to the identification of homeless sites in Sherman Oaks and the reason several of these sites weren't formally submitted to CM Ryu. It was explained that many of these sites were outside of SONC's jurisdiction. Ron Ziff, however, did turn over the findings to VNNC. This meeting was scheduled to discuss the process of finding alternative homeless sites with the community and about 40 members of our community were present. The meeting was an informal back and forth with questions on the process discussed. Jeff Kalban also presented the real threat to the community being SB 50. Community members were eager to help fight this bill and find a solution for affordable housing. The committee will continue to discuss the SB 50's meaning and effects on our community in the coming months. Community members were eager to stay involved with the Vision committee and they all thanked Jeff for the opportunity to be heard.
- 6.) Meeting adjourned at 7:50 p.m.

Respectfully submitted,

Maria Pavlou Kalban
