## Committee Meeting

### **AGENDA**

Sherman Oaks Neighborhood Council Public Safety Committee  
Meeting **Wed. February 1, 2011 at 6:30PM**  
Westfield Mall Community Room at Riverside and Woodman  
(behind Ross Store)

1. Update on Dixie Canyon School traffic issues. Need input from DOT on new signs. Need response from PTA and school Administration on LAPD Valley Traffic and SONC recommendations. Let's not let this one fall through the cracks due to the Holiday break.
2. Update on Holiday increase in area residential burglaries.
3. Update on formation of Library Square Neighborhood Watch group and use of SONC funding for signage.
4. Proposed plans for an "Earthquake Preparedness Fair" to be held at VNSO Park hosted by SONC Public Safety Committee, Red Cross, CERT and Office of Emergency Management.

This will be our first meeting since the Holiday break so let's make an effort to attend so we can establish our priorities for the coming year. Please bring any other concerns you or your neighbors may have about area safety to the meeting.

As always, refreshments will be served.
