Feedback

Online Order Delays

Our Team Members are working as safely and quickly as possible to handle an increase in online orders, as well as support our communities and health care workers by funneling product and tens of millions of mask donations to our Make to Give effort. That means online orders and customer service response times are taking longer than usual, and express shipping methods are temporarily unavailable.

Pick-Up In-Store / Curbside Orders - please wait for your "Ready to Pick-Up" email before heading to the store, many stores are open limited hours, please check the store locator for details.

Ship to Home Orders - Most orders are arriving in your home within 10 business days but it may take 6-

/ business days to receive your ship confirmation email. Your order may arrive in separate shipments.

Thank you for your patience!

Save time the next time you check out. It's easy to do!
