Every person wishing to address the Committee must either dial **1-669-900-6833** and then enter **842 7040 8817** and then press # to join the meeting - or join the meeting from Zoom's landing page using **Webinar ID: 842 7040 8817**. If the public wishes to address the Committee on any agenda item before the Committee takes an action on an item, the Public will wait to be addressed by the presiding officer before commenting. If accessing the meeting by telephone, the public is requested to press *9. If accessing the meeting by computer, the public is requested to click on the "raise hand" button. Comments from the public on agenda items will be heard only when the respective item is being considered. Comments from the public on other matters not appearing on the agenda that are within the Committee's jurisdiction will be heard during the General Public Comment period. Please note that under the Brown Act, the Committee is prevented from acting on a matter that the public brings to its attention during the General Public Comment period; however, the issue raised by a member of the public may become an item on a future committee meeting agenda. Public Comment is limited to two minutes per speaker unless adjusted by the presiding officer.

AB 361 Updates: Public comment cannot be required to be submitted in advance of the meeting, only real-time public comment is required. If there are any broadcasting interruptions that prevent the public from observing or hearing the meeting, the meeting must be recessed or adjourned. If members of the public are unable to provide public comment or be heard due to issues within the Committee's control, the meeting must be recessed or adjourned.

The Neighborhood Council system enables meaningful civic participation for all Angelenos and serves as a voice for improving government responsiveness to local communities and their needs.

We are an advisory body to the City of Los Angeles, comprised of stakeholder volunteers who are devoted to the mission of improving our communities.

ONGOING RADIO COMMUNICATIONS PRACTICE OPPORTUNITIES:

Weekly FRS / GMRS / Walkie-Talkie Radio Check-In: Every Sunday at 10:00 to 10:15am, Channel 15 or Channel 17 if 15 is busy. Around the Valley, we check-in to see how far our individual transmissions can be heard. We practice checking-in, moving locations around the home (inside and out) until someone can hear us. Simple radios are a good source of emergency communication with your immediate area which could help if we experience a valley-wide disaster (power outage, evacuation, brush fire, earthquake). The PSC suggests you pull-out a walkie, put in fresh batteries, and listen to next Sunday's net to see if you can hear anyone.

Weekly Sunday Morning Lake Balboa Amateur Radio Net: Every Sunday at 9:00am to 10:00am on Simplex 145.570. This is a weekly simplex net for Ham Radio Operators transmitting around the SF Valley and beyond. It is a formal, but friendly, net where information is exchanged on a variety of topics. It is especially great net for NEW Hams.
