## Sherman Oaks Neighborhood Council

### **Regular Education Committee Meeting Minutes**

December 20, 2021 Education Meeting Minutes

Meeting called to order by Chair, Joe Cappelletti. Roll call taken; all committee members present.

Minutes from November 18, 2021 were reviewed and approved.

Joe gave update on response to outreach letters sent to all Sherman Oaks schools. Chandler Elementary school expressed interest in collaborating on school beautification efforts including murals and gardening, as well as events geared toward parents, such as parenting chats organized around a topic of interest.

Chris then gave update on tutoring program which he continues to devote great effort with hopes to launch early in the new year. Chandler Elementary is especially interested and has been collaborating with Chris on this project. Additionally, Chris is in contact with the STEM Academy about their interest in service projects. Thank you, Chris!

Scott, friend of Chris, joined our meeting and expressed interest in collaborating on tutoring/mentorship project where he could draw on resources to help expand the reach of the program. We welcome Scott and all of his ideas!

Caden offered to be involved as a tutor and is happy to fill in wherever would be helpful. Thank you, Caden!

Fran prepared NPG powerpoint and is prepared to present to schools in an effort to connect schools with community resources. Fran plans to present powerpoint at School-Business Alliance meeting in January as well.

Fran is additionally working with Alex Naseef, our field representative, on project to have murals painted at the VNSO Park. She's also exploring possibility of having murals painted at the Galleria on wall facing 405. Thank you, Fran!

Meeting adjourned at 7:28pm.

Planned to publish in SONC Newsletter our objectives to be a resource to the schools, welcoming their initiative to connect with us.
