Our meeting tonight centered around planning for the Inaugural Congress of Schools scheduled for Thursday, November 10, 2022 via Zoom at 7:00pm. All local schools have been contacted with flyer emailed providing event details with purpose outlined. Representatives from each school anticipated to be in attendance. Goals are to hear from each school about successful programs and resources that can be shared and to learn how SONC could support programming needs and efforts. We, as representatives of the SONC want to support sustainable programs, and additionally, for the schools to know us at SONC and to get involved with SONC. We hope to connect schools with the intention of creating a stronger Sherman Oaks community.

Thank you fantastic team for your collaborative work to prepare for a meaningful event!
