Hi Harold,

The SONC Finance Committee reviewed the SONC Standing Rules - Policies for Expenditure and Reimbursements at the Finance Committee's March 29, 2023, regular meeting. The Finance Committee concurs with the guidelines/requirements as presented in the Policies for Expenditures and Reimbursements as approved April 8, 2023.

[SONC Standing Rules, Section 4. Policies for Expenditures and Reimbursements \(April 8, 2013\)](#)

There might be some need for wordsmithing and clarification.

Thanks for taking the lead on the review of the SONC policies.

Stay safe. Pray for Ukraine.

Jeffrey
