**6. Action Item:**

**CF24-0125. Bonseph Helinet, LLC / 16231 Waterman Drive / VanNuys Airport / Lease Agreement.**

*The Sherman Oaks Neighborhood Council (SONC) opposes CF 24-0125 pertaining to the proposal for Van Nuys Airport to approve a long-term lease with Bonseph Helinet of up to 25 years while determining the action is exempt from the California Environmental Quality Act (CEQA). SONC thus supports the Trade, Travel and Tourism Committee's report and concurs with this committee's*

*recommendation to disapprove the Board of Airport Commissioners report while the future of this site is reassessed. Therefore, SONC joins our neighbors to the west, Encino Neighborhood Council, in asking that the City Council reject the Bonseph Helinet lease proposal in the best interests of thousands of residents, schools, and businesses impacted, as well as the City's long-term environmental and environmental justice goals.*
