Comments from the public on other matters not appearing on the agenda that are within the Committee's jurisdiction will be heard during the Public Comment on Non-Agenda Items period. Please note that under the Brown Act, the Committee is prevented from acting on a matter that you bring to its attention during this General Public Comment period; however, the issue raised by a member of the public may become the subject of a future meeting. Public comment is limited to one minute per speaker, unless adjusted by the presiding officer of the Committee.

Making Public Comments During This Virtual Meeting: When prompted by the Presiding Officer, press "Raise Hand" (if on Zoom) or *9 (if on a telephone) to indicate a desire to address the committee. If you are on Zoom, you will see a timer graphic indicating your time remaining to speak. If you are on a telephone, you will be told when 10 seconds remain in your allotted time. Public comment for this meeting will be heard during each eligible agenda item.

SB 411 Updates: If a Neighborhood Council has a quorum of board members in a physical location, board members who wish to join the meeting via teleconferencing must adhere to AB 2449 rules and regulations. If a Neighborhood Council does not have a quorum of board members in a physical location, they must adhere to SB 411 rules and regulations.

In the event of a disruption that prevents the eligible legislative body from broadcasting the meeting to members of the public using the call-in option or internet-based service option, or in the event of a disruption within the eligible legislative body's control that prevents members of the public from offering public comments using the call-in option or internet-based service option, the eligible legislative body shall take no further action on items appearing on the meeting agenda until public access to the meeting via the call-in option or internet-based service option is restored. Actions taken on agenda items during a disruption that prevents the eligible legislative body from broadcasting the meeting may be challenged pursuant to § 54960.1.

*(See the final page of this agenda for relevant text of Section 54953.8)**

The Neighborhood Council system enables meaningful civic participation for all Angelenos and serves as a voice for improving government responsiveness to local communities and their needs. We are an advisory body to the City of Los Angeles, composed of stakeholder volunteers who are devoted to the mission of improving our communities.

Discussion and possible motion relative to [CF 25-1136](#). Neighborhood Prosecutor Program / Crime Prevention / Local Engagement / Reestablishing.

Draft Motion: The Sherman Oaks Neighborhood Council (SONC) supports CF 25-1136 to reestablish the Neighborhood Prosecutor Program. Prior to 2023, SONC and many other neighborhood councils enjoyed a positive working relationship with local neighborhood prosecutors, through which SONC and other city agencies were able to resolve issues of public concern. Dismantling this program negatively impacted public services because many neighborhoods lost a local link to the City Attorney's office. Reestablishing the program will restore this vital resource to our communities, thus improving public services.
 - b. **Transfer of \$150,000 from Homeless Services Account to Police Fund.**

Discussion and possible motion relative to [CF 24-1085-S1](#). Police Services / Wilshire Police Division / West Los Angeles Police Division / Pacific Police Division / Overtime / General City Purposes Fund / Transfer / 2025.
