a. **Government Affairs Committee: ED-17 re: City Policy / No ICE.**

CF 26-0204. Executive Directive 17 / Ensure Protection for City Residents / Federal Immigration Enforcement Operations / Ordinance. *Position: FOR*  
*Draft Motion:* The Sherman Oaks Neighborhood Council (SONC) supports CF 26-0204 to establish an ordinance instructing City law enforcement to use body-worn cameras to record immigration enforcement incidents, identify supervisory immigration officers, ensure proper reporting and evidence collection, to de-escalate potential conflicts as well as render aid and emergency medical assistance to injured individuals at scene, and to potentially impose impact fees on property owners within the City who provide site control for immigration enforcement operations, further restricting the use of City property for immigration enforcement staging, processing, and operations.

b. **Bylaws Committee: Amendments (Follow-Up).**

Discussion & motion(s): Review and amendment of the SONC Governing Documents: Bylaws; Standing Rules, Policies & Procedures; Rules of Debate.  
> Submission Deadline to EmpowerLA: April 1, 2026.

1. Business & Community Interest At Large Seats (Bylaw V.1.c)

**Bylaw V.1.c:** ~~One (1) CISBM may be elected in each of the seven (7) designated areas.~~ Unlike RSBMs, BSMs and CISMBs are elected at large from within the entirety of SONC's geographic boundaries such that three BSM and three CISBM seats are elected every four years and the remaining four BSM and four CISBM seats are elected every four years in staggered fashion.

**Bylaw V.4:** Four BSM and four CISBM seats will be elected in the same election as RSBM seats in Areas #1, 3, 5, and 7, while the remaining BSM and CISBM seats will be elected in the same election as RSBM Areas #2, 4, and 6.

**Bylaw X.2:** Stakeholders shall select one of the seven (7) geographic areas, based on stakeholder status, as stated in Article V, in which they will cast their vote for a RSBM to represent that geographic area, as well as three or four BSMs and three or four CISBMs (depending on election year) for at-large representation. Stakeholders may register for one particular geographic area for each election. They may not vote for candidates in any other geographic area during the election, with the exception of the at-large BSM and CISBM seats.

*Feedback Received: Community Interest is a difficult condition and At-Large is a good replacement. However, I recommend the at-large seat be per area, not community wide [e.g., Area 1 At Large, Area 2 At Large, etc. as opposed to At Large Community Interest]. I have witnessed other neighborhood councils where the community wide at-large seats become manipulated power plays with a disproportionate number of members from the same geographic area with the same grievances. This created dysfunctional neighborhood councils.*  
*> I recommend against staggering the votes. Keep Areas 1, 3, 5, and 7 voting for residential, business and at-large representatives in the same year; the same for Areas 2, 4, and 6. It is tough enough to get folks interested in voting every four years.*

*> It would be nice to simplify the voting process, including registering to vote.*

2. Outreach Committee appointments for: (Standing Rule) [from prior mtg]  
Newsletter Editor, Website Admin, Social Media, Photographer

**Standing Rule C.1.d:** The Outreach Committee shall appoint from its membership an editor for the monthly newsletter, administrator for the SONC website, manager for SONC social media, and photographer/videographer or archivist to work in concert with the social media manager. The same person may serve in more than one role.
