“Given the existing CERT program and the important role Neighborhood Councils play in supporting their communities during emergencies, the City should evaluate the feasibility of establishing a standardized CERT certification requirement for a majority of Neighborhood Council board members.”

“I THEREFORE MOVE that City Council INSTRUCT the Department of Neighborhood Empowerment, with assistance from the Los Angeles Fire Department (LAFD), to provide a report with recommendations to require the majority of all Neighborhood Council board members to obtain and maintain certification with LAFD’s CERT Program, including implementation options, timelines, costs, exemptions, and renewal requirements. The department should consider more accessible training opportunities, such as providing the CERT Program remotely”

7b. Congratulations to the recent graduates of the C.E.R.T. Program. This is an important class that prepares community members to be temporary first responders in the event of a natural disaster or emergency event.
