Summary: The Sherman Oaks Neighborhood Council (SONC) urges LA City Council, in conjunction with the Department of Sanitation, Los Angeles Homeless Services Authority, and other service providers, including potential private-public partnerships, to establish a regular cleanup schedule of encampment sites and to supply trash receptacles such as but not limited to automated litter bins (ALBs) to encampment and other unhoused areas with regular collection in order to gauge the effectiveness of simply providing unhoused persons with the ability to properly dispose of waste.
