Summary: The Sherman Oaks Neighborhood Council (SONC) supports CF 20-0492 to address climate change trends. Whereas the residents of Sherman Oaks are concerned with the damage to health and effect on climate change caused by burning fossil fuels, and whereas the common practice of investing in fossil fuels contributes greatly to the marketplace dominance of fossil fuels, the Sherman Oaks Neighborhood Council supports Council File 20-0492 and notes the City should not be supporting investments in fossil fuel companies, and residents shouldn't have to worry about the City's insurance vendors failing due to investments in a declining industry. Therefore, be it resolved, that the Sherman Oaks Neighborhood Council SUPPORTS the Blumenfield motion in Council File 20-0492, to create a rating system for insurance providers identifying their risk due to fossil fuel investments
