Summary: The Sherman Oaks Neighborhood Council (SONC) passed the following motion in support for CF 20-0078 with the hope that noise generated by airport operations at the Burbank Airport, departures and arrivals, would be "shared" by all neighborhoods in the Valley. The Sherman Oaks Neighborhood Council (SONC) supports City Council File CF 20-0078 requesting FAA to add an RNAV departure procedure for eastbound departures from Burbank Airport, with the aim of alleviating noise in the Southern San Fernando Valley west of Burbank Airport, and dispersing flight paths, and SONC shall in turn issue a CIS in support of CF 20-0078, with letters addressed to Council District Two, Council District Four, Council District Five, and the Van Nuys Citizen's Advisory Council (VNY CAC), indicating SONC's position, with carbon copy to interested parties Burbank Airport (BUR) and Federal Aviation Administration (FAA).
