Summary: In October this Board passed a motion encouraging the City of Los Angeles to codify allowable limitations to help lessen the negative impact Senate Bill 9 would have on our community. Our requested action along with other ideas have now been put forward as a motion proposed by Councilmembers Koretz and Blumenfield, seconded by Councilmember Raman. The guidelines for implementation include: maintaining our objective zoning (Mansionization Ordinances), limiting development to 4 units in total, setbacks, parking, residency concerns and exemptions to SB 9 in our hillsides areas with substandard streets, historic districts, wildlife corridors, etc. This is very time sensitive and has to be approved by City Council before January 1, 2022. Motion: The Sherman Oaks Neighborhood Council (SONC) is in full support of Councilmembers Koretz/Blumenfields's Motion CF 21-1414 that allows the City to put in place by December 31, 2021, objective guidelines for processing SB9 filings. SONC supports all efforts to protect our neighborhoods from land speculation while supporting well planned growth in our city. SONC urges the City Council to support CF 21-1414 and pass it by December 31, 2021. Community Impact S
