Summary: Insofar as communication and transparency in government is vital to our community, the Sherman Oaks Neighborhood Council (SONC) supports CF 23-0264, if amended, to clarify notification requirements of emergency homeless shelter property owners when a homeless shelter provider has not been identified at the time the project application is filed. SONC believes notification requirements should be expanded beyond the currently-required written notification to only owners of properties abutting the subject property to include, at minimum, a 500 radius surrounding the subject property. Furthermore, we would request notification to the appropriate Neighborhood Council, so that the NC can best assist with outreach efforts to both community stakeholders and parties that may avail themselves of the shelter's services.
