A Neighborhood Council Community Impact Statement (CIS) has been successfully submitted to your Commission or City Council. We provided information below about CISs and attached a copy of the CIS.

We encourage you to reach out to the Community Impact Statement Filer to acknowledge receipt and if this Community Impact Statement will be scheduled at a future meeting. Neighborhood Council board members are volunteers and it would be helpful if they received confirmation that you received their CIS.

The CIS process was enabled by the Los Angeles Administrative Code §Section 22.819. It provides that, "a Neighborhood Council may take a formal position on a matter by way of a Community Impact Statement (CIS) or written resolution." NCs representatives also testify before City Boards and Commissions on the item related to their CIS. If the Neighborhood Council chooses to do so, the Neighborhood Council representative must provide the Commission with a copy of the CIS or resolution sufficiently in advance for review, possible inclusion on the agenda, and posting on the Commission's website. Any information you can provide related to your agenda setting schedule is helpful to share with the NC.

If the CIS or resolution pertains to a matter *listed on the Commission's agenda*, during the time the matter is heard, the designated Neighborhood Council representative should be given an opportunity to present the Neighborhood Council's formal position. We encourage becoming familiar with the City Council's rules on the subject. At the Chair's discretion, the Neighborhood Council representative may be asked to have a seat at the table (or equivalent for a virtual meeting) typically reserved for City staff and may provide the Neighborhood Council representative more time than allotted to members of the general public. They are also permitted up to five (5) minutes of time to address the legislative body. If the CIS or resolution pertains to a matter *not listed on the agenda*, the designated Neighborhood Council representative may speak during General Public Comments.

We share this information to assist you with the docketing neighborhood council items before your board/commission. If you have questions and/or concerns, please contact the Department of Neighborhood Empowerment at empowerla@lacity.org.

As contained in its June 12, 2023 CIS, SONC is therefore in support of the "6 Steps to Success" process diagram contained in the VNY Citizens Advisory Council (CAC) October 3, 2023 adopted motion, and recommends that the Mayor of Los Angeles, the City Council, the Board of Airport Commissioners, and Los Angeles World Airports be advised to seriously consider adopting this 6 Steps to Success process going forward for the benefit of communities impacted by VNY.

Los Angeles City Council and its Committees

Support for VNY Vision “6 Steps to Success” Proposal

Position: For — CF 22-1127. Van Nuys Airport Specific Plan / Zoning Ordinance 177.327 / Community Impact Mitigation.

To City Council,

The Sherman Oaks Neighborhood Council at its October 17, 2023 meeting adopted a position to support the 6 Steps to Success proposal at Van Nuys Airport (VNY):

Whereas, on June 12, 2023 the Sherman Oaks Neighborhood Council (SONC) approved two CISs that together (1) identified how the Vision Study process is flawed and needs to be replaced by a more robust, fact based, community driven process; (2) that LAWAs alternatives are all aimed at expanding facilities for jets, and that there are better, less community impactful alternatives; and (3) that a moratorium on any RFPs and further redevelopment at VNY is needed until a Specific Plan/Updated Airport Plan is adopted by the City Council.

As contained in its June 12, 2023 CIS, SONC believes that the only way that consensus by all stakeholders can be achieved on an updated Airport Plan/Specific Plan is by pausing, and redirecting the current Vision Study to allow a sharing with the public critical information that they need for providing informed input, having key stakeholders directly involved in the plan development process from start to finish, a thorough vetting of impacts and benefits of different options, and a robust stakeholder participation process to help guide decision makers.

As contained in its June 12, 2023 CIS, SONC is therefore in support of the “6 Steps to Success” process diagram contained in the VNY Citizens Advisory Council (CAC) October 3, 2023 adopted motion, and recommends that the Mayor of Los Angeles, the City Council, the Board of Airport Commissioners, and Los Angeles World Airports be advised to seriously consider adopting this 6 Steps to Success process going forward for the benefit of communities impacted by VNY.
