A Neighborhood Council Community Impact Statement (CIS) has been successfully submitted to your Commission or City Council. We provided information below about CISs and attached a copy of the CIS.

We encourage you to reach out to the Community Impact Statement Filer to acknowledge receipt and if this Community Impact Statement will be scheduled at a future meeting. Neighborhood Council board members are volunteers and it would be helpful if they received confirmation that you received their CIS.

The CIS process was enabled by the Los Angeles Administrative Code §Section 22.819. It provides that, "a Neighborhood Council may take a formal position on a matter by way of a Community Impact Statement (CIS) or written resolution." NCs representatives also testify before City Boards and Commissions on the item related to their CIS. If the Neighborhood Council chooses to do so, the Neighborhood Council representative must provide the Commission with a copy of the CIS or resolution sufficiently in advance for review, possible inclusion on the agenda, and posting on the Commission's website. Any information you can provide related to your agenda setting schedule is helpful to share with the NC.

If the CIS or resolution pertains to a matter *listed on the Commission's agenda*, during the time the matter is heard, the designated Neighborhood Council representative should be given an opportunity to present the Neighborhood Council's formal position. We encourage becoming familiar with the City Council's rules on the subject. At the Chair's discretion, the Neighborhood Council representative may be asked to have a seat at the table (or equivalent for a virtual meeting) typically reserved for City staff and may provide the Neighborhood Council representative more time than allotted to members of the general public. They are also permitted up to five (5) minutes of time to address the legislative body. If the CIS or resolution pertains to a matter *not listed on the agenda*, the designated Neighborhood Council representative may speak during General Public Comments.

We share this information to assist you with the docketing neighborhood council items before your board/commission. If you have questions and/or concerns, please contact the Department of Neighborhood Empowerment at empowerla@lacity.org.

Summary: The Sherman Oaks Neighborhood Council (SONC) supports City Council's motions that considers creation of policy to require LAPD officers to verify the identity of any individual claiming to be a law enforcement officer, including Federal/State/Local, and to increase the penalties for the impersonation of such officer and/or harassment or intimidation of an individual or property under false pretenses, such as impersonation. There is absolutely no place in our society for masked individuals claiming to be law enforcement refusing to identify themselves when able and appropriate, which could and has led to individuals impersonating officers unlawfully harassing, abusing, threatening, or committing crimes

against these victims, as well as misconduct by actual officers acting outside the scope of their employment, thanks in part to the avoidance of accountability risk due to anonymity under mask. This motion seeks to provide relief for our concerned and scared constituents, notably the immigrant community which is disproportionately affected by these illicit tactics. It is important to hold all parties accountable in a contact, detention, arrest, and/or criminal situation, and the aggressive conduct alongside an appearance of impropriety necessitate this reasonable and just action.
