## 4) Please describe the purpose and intent of the grant.

Los Angeles Responsible Pit Bull Owners (LARPBO) seeks funding to upgrade the van it uses to transport dogs from the East Valley Animal Shelter (EVAS) to LARPBO training classes at the Van Nuys/Sherman Oaks Park. The 2004 E250 Ford Ecoline van currently does not have fully operational locks and has noticeable exterior damage. Funds would repair the doors and support the cost of a vehicle body wrap, which would ensure the safe transportation of EVAS

dogs, trainers, and equipment.

5) How will this grant be used to primarily support or serve a public purpose and benefit the public at-large. (Grants cannot be used as rewards or prizes for individuals)

The East Valley Animal Shelter (EVAS) serves homeless animals in the Sherman Oaks area. LARPBO trainers use the van to transport shelter dogs to LARPBO training classes and trails to participate in dog training and socialization exercises -- a free service that LARPBO provides to EVAS. A socialized dog with basic obedience training will have a better chance of getting adopted, which frees up space at the City shelter. See ADDENDUM A.

Furthermore, the van is used to transport training equipment to classes held at the Van Nuys/Sherman Oaks Park, which attract Sherman Oaks residents. The more Sherman Oaks dogs that LARPBO can train, the more well-behaved dogs in the community. A dog that is trained will likely remain home instead of being surrendered to the overburdened City shelter.
