## Committee Meeting

### PUBLIC SAFETY COMMITTEE

Sherman Oaks Neighborhood Council

Wed. November 3, 2010 6:30PM

VIVA Gallery Moorpark & Fulton St.

#### 1. Pedestrian safety in the Valley.

Recent injuries and deaths of pedestrians crossing Valley streets, especially near schools has been on an upward trend since last year. Is this related to the increase of the speed limit along some of our secondary highways? Or the removal of some of the crosswalks by the DOT despite community protests?

#### 2. Post-Election briefing on Prop 19 the Marijuana Proposition. What now?

3. The closing of VIVA Gallery on Moorpark. Our Committee will need a new meeting place. Lets discuss our preferences.

#### 4. Squatters in foreclosed properties. What to look for and homes currently under investigation.
