## SECTION II - PROJECT DESCRIPTION

4) Please describe the purpose and intent of the grant.

This grant will be used to create 10 monthly reports that:

- . offer a detailed picture of public safety in the Sherman Oaks Neighborhood Council district
- . offer comparative data from adjacent neighborhoods
- . create data visualizations of change over time for public safety data

The reports will be distributed to the Sherman Oaks Neighborhood Council and their members.

5) How will this grant be used to primarily support or serve a public purpose and benefit the public at-large. (Grants cannot be used as rewards or prizes for individuals)

These reports provide the neighborhood council with relevant, verified data that is organized in an accessible. The council uses this data to understand how crime patterns change over time in their area. They also use this data as a tool for engaging with their Senior Lead Officer in order to have a fact-based discussion about how to improve public safety. The Sherman Oaks Neighborhood Council has already received several editions of these reports and found them useful.
