- e. Planning & Land Use Committee - Jeff Kalban, Chair

1) **Motion to Request that CD4 Councilmember Nithya Raman meet with SONC to discuss land use planning for the Sherman Oaks Community**

Whereas current land use planning for the Sherman Oaks community is governed by the Southeast Valley Community Plan, the Van Nuys – North Sherman Oaks Community Plan and the Ventura-Cahuenga Boulevard Corridor Specific Plan; whereas planning efforts under these three plans are not coordinated resulting in planning outcomes that are in conflict with each other and detrimental to the long term quality of life in our Sherman Oaks community; whereas pressures and mandates from California state legislative efforts present significant challenges to prudent community planning; therefore the Sherman Oaks Neighborhood Council (SONC) requests that Councilmember Nithya Raman and her land use planning deputy meet with members of the SONC PLUM Committee to discuss the benefits and methods of integrating the Southeast Valley Community Plan, the Van Nuys – North Sherman Oaks Community Plan and the Ventura-Cahuenga Boulevard Corridor Specific Plan thereby enabling land use planning that considers the Sherman Oaks community as a whole.
