

Sherman Oaks Neighborhood Council

Minutes of the SONC Finance Committee Thursday January 26, 2012

The meeting was called to order at 6 PM by Howard Katchen, Treasurer. Arthur Hutchinson and Ron

Ziff were present. There was a quorum.

Ron Ziff moved that the minutes of the previous meeting be approved. Arthur Hutchinson seconded.

Passed unanimously.

Howard Katchen presented the current financial statement. Ron Ziff moved to accept it. Arthur

Hutchinson seconded. Passed unanimously.

There was discussion about having the committee chairs outline their expenses for the balance of the

year. Ron Ziff discussed that the Land Use Committee will probably minimize expenses due to a move

to meeting at the new Senior Center. The cost of using that facility will be less than the library. We will

ask Public safety Committee if any of the Neighborhood Watch groups are taking advantage of the

matching fund program that was offered. It may be necessary to extend the time pat February 1 for

submitting applications for matching funds. Ron Ziff will contact the Senior Center and ask if anything

is needed there that is not otherwise available. We will also contact the Neighborhood Services

committee to see how the pothole filling program is coming.

The meeting was adjourned at 6:49PM.

Respectfully submitted,
