Motion in Support of CF 18-1190

The Sherman Oaks Neighborhood Council (SONC) supports City Council file 18-1190 directing the Bureau of Sanitation report to the council as to the feasibility of pursuing alternative approaches for dealing with challenges posed by recycling complications in the City of Los Angeles, such as a potential future ban on single-use plastics and/or revision of blue bin rules to remove plastics that cannot be recycled locally or regionally from the recycling stream. Issue a Community Impact Statement (CIS) communicating SONC's position.
